AUTHORIZATION FOR CONSUMER REPORTS

Consumer reports or investigative consumer reports which might contain public record information could be requested or made on you, including consumer credit, criminal records, driving record, education, prior employer verification, workers compensation claims and others. These reports include experience information along with reasons for termination of past employment; as well as information from various Federal, State, local and other agencies containing past activities. A consumer report containing injury and illness records and medical information might be obtained only after a tentative offer of employment has been made.

You authorize any present or former employer, school, police department, financial institution, division of motor vehicles, consumer reporting agencies, or other persons or agencies having knowledge about you to furnish UNITED MEDICAL STAFFING NETWORK with all background information in their possession for employment purposes.

Your signature (or faxed signature) authorizes any party or agency contacted by UMSN to furnish the information ongoing during your employment with UMSN.
